

WELCOME

Mid Canterbury is well positioned as a conference and meeting destination, just one hour from Christchurch International Airport, the gateway to the South Island. The district boasts new state of the art venues, hotels and resorts for the larger conferences, plus a wide range of motels, lodges and high country farms which specifically cater for smaller conferences and overnight management retreats. The surrounding mountains and high country lakes of Mid Canterbury provide not only a stress-free environment for any conference or meeting, but also a wide range of activities and structured team building options. For assistance or information, please contact Experience Mid Canterbury:

Your Meeting, Our Business

When planning a conference or incentive in Mid Canterbury, the only question you should be asking, is how to get in touch with us. A regional convention bureau is a resource that comes with advice, contact, experience... and no price tag.

What is a Convention Bureau?

Convention Bureau are independent non-profit organisations focusing on the conference and incentive travel market, funded by Regional Tourism Organisations. That means we can offer impartial advice, professional assistance and we're here specifically to help you when you come to our region.

How can Experience Mid Canterbury help you?

We can . . .

- Provide free and neutral advice on conference facilities which meet your budget and delegate expectations.
- Host destination familiarisations, giving you an in-depth look and feel for the region, while putting you in touch with local contacts to build your networks.
- Introduce you to support services that can ensure the success of your conference or event.
- Compile bid documentation when competing to host national or international conferences.
- Co-ordinate site inspections and appointments with venues and suppliers.
- Provide support collateral, destination brochures, CD Rom, DVD and photographic imagery.
- Assist in developing accompanying persons' programmes and advice on pre and post touring options.
- Help arrange incentive travel itineraries that you can be confident will reward and delight your group.

Ex Factor

Support Services

A comprehensive range of specialist services are available in Mid Canterbury to make your conference, event and partner programmes truly memorable.

Audio-Visual Services, Sound and Lighting

In addition to the comprehensive in-house facilities you'll find at many of Mid Canterbury's conference venues, specialist companies offer a wide array of audio-visual and other technology services.

Entertainers

Getting the right mix between business and entertainment is vital for your conference, so too is the right choice of entertainers and speakers. Experience Mid Canterbury can tap into a range of quality professionals in the creative industry from the perfect dance band to comedy and theatre performance.

Transport

With the combination of New Zealand's safe, modern, commercial airlines and Mid Canterbury's world class, unique transport operators providing you with DC3 charter flights, themed London double-decker bus shuttles, helicopter hire and coach transfers from the Christchurch International Airport, enables the most remote retreat to be easily and quickly accessed.

Catering

Mid Canterbury's cuisine is diverse, creative and takes its inspiration from local produce. We can offer your conference delegate's taste buds any number of taste sensations. Enjoy fresh seasonal produce, the most mouth watering seafood, artisan breads and cheeses, organic and farm raised prime New Zealand beef and pork, and highland venison and much much more. Mid Canterbury offers an exceptional array of international standard restaurants. Imagine a fully-catered conference or event where every dish is memorable, unique and prepared using locally-sourced ingredients.

Tour Organisers

Whether it's the desire for golf, golf and more golf, wild adventure with white water rafting, heli-skiing and mountain biking or a more leisurely approach which takes in wine, food, arts and crafts, our experienced staff can custom design a tour to meet every expectation and need. We are also equally accustomed to building pre and post conference travel and partner programmes.

Function Options

From state-of-the-art event centres, hotels, resort venues, themed gala dinners, catering for large conferences to high country stations, and quality lodges suitable for overnight management retreats, Mid Canterbury is the ideal conference and incentive destination – just one hour from Christchurch International Airport. Structured team building options are also available with the region themed hanger etc.

Event Companies

Looking to give your conference or event that 'X' factor? Hire companies in Mid Canterbury will be able to give you just that. With their wide range of product, attention to detail, and customer-focused service your expectations, not your budget will be exceeded!

Printing and Promotional Products

A full range of professional printing and publishing services are available in Mid Canterbury to ensure that your conference's marketing and session materials reinforce your key messages and branding. Want marketing and advertising medium that keeps on promoting your brand or organisation well after your conference or event? Mid Canterbury design and marketing experts offer a wide range of promotional products.

Experience

Hotel Ashburton

Be . . . professional

Under an hour from Christchurch International Airport, right in the heart of the mainland, Hotel Ashburton is the professional solution to all your conference needs. Our full time events co-ordinator and professional staff have a wealth of experience, having run numerous and varied events.

Everything you require is readily accessible on-site; flexible venues, accommodation, 280 off street car parks, quality catering and award-winning restaurant, bar and lounge facilities, outdoor amenities, entertainment and more. With wireless internet and secretarial services also at your fingertips, your event is assured of being highly organised. All contained in a beautifully landscaped environment.

Methven Heritage Centre

The Heritage Centre has an on-site Cafe and the Methven Information Centre staff are on-hand to assist conference visitors.

What really sets the Methven Heritage Centre apart however is its flexibility of approach. As it is not aligned with a single caterer, conference organizers can bring in their own or Centre staff will help find the right local provider for your needs.

- Versatile
- Contemporary
- Cost Effective
- Convenient

Imagine a conference venue that provides a world-class visitor experience in a friendly, rural ski village within an hour's reach of an international airport. You don't have to look far - Methven Heritage Centre offers all this and more.

The newly refurbished Centre has a range of rooms catering for large-scale affairs through to intimate gatherings, and each has a different look. The auditorium has a proscenium stage and theatre lighting to allow full performance effects while the Function room is a sun-filled space with bi-fold doors opening to an attractive garden courtyard. Many conference groups also utilise the Art Gallery, which has monthly changing exhibitions.

For those who want to add an unusual twist to your conference programme, Methven Heritage Centre is notable for its own purpose-built visitor attraction. The NZ Alpine and Agriculture Encounter has interactive displays and multi-media exhibits themed around New Zealand's contemporary agriculture and the alpine environment and this provides a unique space for evening cocktail functions.

District Activities

4WD Adventure

Journey into remote high country with its sparkling lakes, glistening rivers and fresh mountain air. Visit Mt Sunday, a peaceful mountain transformed into Edoras, for the Lord of the Rings.

Archery

Put your archery skills to the test. After a brief introductory lesson and safety briefing you'll be wielding a bow and arrow with as much finesse as Robin Hood, Maid Marion or the legendary William Tell. Compete against your peers to see who the best shot is.

Clay-bird shooting

Ready, aim, fire! Challenge your colleagues to a clay-bird shoot-out and see who claims the most hits.

Trace its path with the barrel of your shotgun before pulling the trigger - if you're a crack shot, you'll blow that clay bird into smithereens.

Golf

Five challenging country golf courses cater to all levels and offer discerning golfers a new challenge each time. After warming up on one of our country golf courses, cross the Rakaia Gorge to Terrace Downs, a unique high country experience.

Helicopter Flights

From fabulous scenic flights to mountain top picnics you will soar high above alpine lakes and rivers with stunning views.

Horse Trekking

Ride kind-natured horses and explore surrounding farmland. Enjoy the outstanding views of rugged, majestic mountains and the opal coloured waters of the Rakaia River.

Hot Air Ballooning

Experience the sheer magic of hot air ballooning over the Canterbury Plains with the Aoraki Balloon Safari team of highly experienced pilots and crew. Your experience will be an unforgettable one, right from your tranquil ascent to the champagne style breakfast on landing!

Ice Skating / Curling

Enjoy ice skating and curling surrounded by native beech forest at Staveley - a natural outdoor rink.

Jet Boating

For an adrenalin-pumping experience, jump aboard Discovery Jet and blast along the ever-changing Rakaia River. As your driver skillfully weaves through the intricate network of braided river channels, skimming along stony banks and through gushing opalescent blue waters rich with salmon and trout, soak in the dramatic scenery surrounding you.

Rafting

Hang on for a wild raft ride on the Rangitata, a premium white water rafting river. Including some spectacular grade 5 excitement and a family friendly grade 2 option.

Skiing / Snowboarding

From Mt Hutt Ski Area to the untracked terrain of the Southern Alps, this district has it all.

Skydiving

Extreme exhilaration descending thousands of feet into breathtaking scenery. Freefall at 200kph with skydivingnz.com

Wine Tasting

Taste the local flavours, which are produced from selected hand harvested grapes for optimum flavour at CharRees Winery Cellar.
